I have to admit that I'm an addict of James with bunnies ... NEED HELP!

Lars' eyes got wide in shock as James entered the A-room.

James carried two bunnies in his arm, stroking them.

"James?" Lars' voice trembled. He briefly glanced at Jason who was stunned, too. "What's this?"

James smiled at him.

"This is Kirk Bunny, and this good looking guy is James Bunny."

Lars' drumsticks hit the floor.

"Don't worry, James, I know a psychiatrist ..."

"I don't need a psychiatrist, fucker." James put the bunnies at the floor.

"But ..."

"They are house-trained."

James pulled something off his shirt-pocket.

"EARPLUGS? BUNNY-EARPLUGS?"

"Of course. I don't want my babies to get deaf!"
